Description

This charming independent cottage is nestled in the rolling hills between the Chianti and the Crete of Siena, in a magnificent country setting.

Wine-making is the thread of this land that runs through countless generations, as far back as 1245.

The main room is finished in wood and richly decorated, with one wall a library full of books. All the furniture are original antiques.

This cottage is ideal for honeymooners or small families.

The view from the private terrace is spectacular.

Accommodation details: it features one living room , one fully equipped separate kitchen,one large double bedroom and one bathroom .

The main room opens out to a large and very private terrace (300 sq. ft.) which is fully furnished with outdoor furniture for dining and sunning.

Cottage's guests are entitled to use the owners pool.
