Description

This lovely Cottage is part of an extensive property dominated by a massive Castle and located in the heart of Chianti region. The impressive structure of the Castle rises on top of a gentle hill and originally was a Florentine fortification against Siena and belonged to the noble family of Ricasoli.

The property today is composed of several restored farmhouses, offering relaxing vacations: lovely small cottages, or independent houses. LE LOGGE COTTAGE as the other dwellings is located around the Castle, but enjoys more independence while overlooking the vineyards and the Chianti Valley.

The whole estate, covers approximately 1,100 hectares. Like in a fairytale, LE LOGGE stands out in the enchanting Chianti landscape in the middle of sun-kissed fields and vineyards, a few miles from Siena. The setting is a dream holiday one: the moment you awaken you are greeted by the gorgeous Chianti hills spread before you.
