Description

This elegant and stylish apartment is located on a tree lined street distant just a few minutes by foot from the famous steps of Piazza di Spagna that have hosted the most beautiful top models and the most exciting and fabulous fashion events in the world. Situated on the third floor, behind large and safe iron gates, with a very nice courtyard that offers privacy and tranquillity, the apartment is furnished in a traditional Roman style, but it has been equipped with all the modern comforts necessary for a perfect staying. The spacious living room offers a very inviting and relaxing atmosphere that you can share with your friends, thanks to its comfortable sofas and chairs; in addition it moves into a beautiful internal terrace, perfectly equipped for your outdoor summer dinners. The two bedrooms are warm and roomy and one of these opens to the courtyard, while the two bathrooms satisfy the needs of every kind of people, one with its large shower and the other one with its comfortable bathtub and shower. The kitchen is very bright and fully equipped also with a washing machine. Thanks to its central location, this apartment permits you to go walking all over the city reaching all the most important places worth to visit here in Rome; the area is also surrounded by many restaurants where you can taste the typical delicious and tasty Italian food. This apartment is the best solution for those who want to breathe completely the typical Roman atmosphere without losing their peace, tranquillity and privacy.
