Description

This lovely and charming apartment is set on the third floor of an ancient palazzo located in the heart of historical Rome, Campo de' Fiori, surrounded by cobblestone streets, typical restaurants, bars and open markets. The little square is very peaceful but at the same time well connected with all the amazing amenities this city can offer. The ancient style of the palazzo contributes to give the place a magical atmosphere. Studio Blu is the perfect match between modern styles and cozy atmosphere: it has been recently renovated and provides all the comforts necessary for a pleasant stay. The living room and combined dining area has a plasma tv of 22inch, while the nice and familiar kitchenette is fully equipped. There is a bathroom with a shower.

It features a large room combining sleeping and dining area and a kitchen corner . There is a shower bathroom. There is the possibility to add an extra bed for a child.
