**Description**

Villa i Trulli lies only a few kilometres from the beautiful 'White City' of Ostuni and the attractive beaches of the Adriatic coast, and is part of a prestigious complex, the 'Sessana estate' that spans 4 hectares. The property takes its name from the Latin 'sanus', meaning 'healthy' and brings to mind the idea of a healthy life in harmony with nature. This ancient beautiful house, dating back to 1700, has been well restored and today is a romantic retreat with its own swimming pool set in private gardens with lush lawns, ancient olive trees and views across the surrounding countryside.

The interiors have been tastefully decorated with refined yet comfortable furnishings, which perfectly complement the antique flooring and stone vaulted ceilings.

The blue sky, olive trees, fragrance and colours of the natural Mediterranean vegetation provide a perfect backdrop to this enchanting place; offering guests peace and serenity in close contact with the regenerative powers of the countryside.

Accommodation details: Set in its own private garden, this delightful trullo house has been charmingly restored to offer comfort and tranquillity.
